

## COMPANY

Our goal is to ensure that our clients are able to run their business as efficiently as possible by supplying equipment, software, licenses, services and support in a timely and cost-effective manner.

## SERVICES

Compumax provides network systems, services and solutions to small and medium businesses, as well as to large corporations. Our clients range from small businesses to Fortune 1000 companies. Our services include not only design and installation of network systems, training and support, but also supplying products to complete the design of their offices.

**WHAT WE DO** Compumax is a leading technology Value Added Reseller. We provide customers with our technological experience and knowledge.

## OUR SOLUTIONS ARE TURNKEY SOLUTIONS!

*We will promote the most energy efficient and cost-effective solutions for your company!*
